MULE PRO-FXT™ 1000 LE RANCH EDITION

Kawasaki

Let the Good Times Roll®

POWER

|                         |                                                                              |
|-------------------------|------------------------------------------------------------------------------|
| Engine                  | 4-stroke, 2-cylinder, DOHC, liquid-cooled, gas                               |
| Displacement            | 999cc                                                                        |
| Maximum Torque          | 61.5 lb-ft                                                                   |
| Bore x Stroke           | 92.0 x 75.1mm                                                                |
| Compression Ratio       | 10.1:1                                                                       |
| Fuel System             | DFI® with 38mm throttle body                                                 |
| Transmission            | Continuously Variable Transmission (CVT) with (L,H,N,R)                      |
| Final Drive             | Selectable 2WD/4WD, shaft Dual mode rear differential with differential lock |
| Engine Braking          | Yes                                                                          |
| Alternator Output (max) | 90 amp                                                                       |

CAPABILITY

|                                 |                                              |
|---------------------------------|----------------------------------------------|
| Front Suspension / Wheel Travel | Double wishbone/11.0 in                      |
| Rear Suspension / Wheel Travel  | Double wishbone/10.1 in                      |
| Front Tires                     | 26 x 9.00-12, radial                         |
| Rear Tires                      | 26 x 11.00-12, radial                        |
| Steering                        | Electric Power Steering (EPS), Tilt steering |
| Park Brake Type                 | Independent, Mechanical Disc                 |
| Front Brakes                    | Dual Disc, 2 piston caliper                  |
| Rear Brakes                     | Dual Disc, 1 piston caliper                  |

|                              |                                                                     |
|------------------------------|---------------------------------------------------------------------|
| Ground Clearance             | 12.6 in (max), 11.6 in (std)                                        |
| Fuel Capacity                | 7.9 gal                                                             |
| Turning Radius               | 16.0 ft                                                             |
| Cargo Bed Dimensions (LxWxH) | 42.7 x 53.7 x 11.0 in (3-person) / 22.0 x 53.7 x 11.0 in (6-person) |
| Cargo Bed Load Capacity      | 999 lb (3-person) / 350 lb (6-person) / 348 lb CA Model             |
| Payload Capacity             | 1,616.3 lb / 1,263.5 lb CA Model                                    |
| Seating Capacity             | 3-person (1 row), 6 person (2 row)                                  |
| Towing Capacity              | 2,000 lb                                                            |
| Lighting                     | (2) Halogen headlights. (2) LED headlights                          |

DETAILS

|                     |                                                                                                                                                                                                                                                                                                                                            |
|---------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Overall Length      | 135.8 in                                                                                                                                                                                                                                                                                                                                   |
| Overall Width       | 64.0 in                                                                                                                                                                                                                                                                                                                                    |
| Overall Height      | 80.9 in                                                                                                                                                                                                                                                                                                                                    |
| Curb Weight         | 1,966.9 lb* / 1,969.1 lb* CA Model                                                                                                                                                                                                                                                                                                         |
| Wheelbase           | 92.3 in                                                                                                                                                                                                                                                                                                                                    |
