POWER

|                         |                                                                              |
|-------------------------|------------------------------------------------------------------------------|
| Engine                  | 4-stroke, single cylinder, SOHC, 4-valve liquid-cooled                       |
| Displacement            | 695cc                                                                        |
| Maximum Torque          | 42.7 lb-ft @ 5,000 rpm                                                       |
| Bore x Stroke           | 102.0 x 85.0mm                                                               |
| Compression Ratio       | 10.3:1                                                                       |
| Fuel System             | DFI® with 44mm throttle body                                                 |
| Transmission            | Continuously Variable Transmission (CVT) with centrifugal clutch, (H,L,N,R)  |
| Final Drive             | Selectable 2WD/4WD, shaft Dual mode rear differential with differential lock |
| Engine Braking          | Yes                                                                          |
| Alternator Output (max) | 35.7 amp                                                                     |

|                              |                                            |
|------------------------------|--------------------------------------------|
| Rear Brakes                  | Dual Disc, 1 piston caliper                |
| Ground Clearance             | 10.6 in                                    |
| Fuel Capacity                | 9.5 gal                                    |
| Turning Radius               | 14.0 ft                                    |
| Cargo Bed Dimensions (LxWxH) | 33.4 x 44.1 x 9.1 in                       |
| Cargo Bed Load Capacity      | 699 lb / 600 lb CA Model                   |
| Payload Capacity             | 1,200 lb                                   |
| Seating Capacity             | 2                                          |
| Towing Capacity              | 1,500 lb                                   |
| Lighting                     | (2) Halogen headlights. (2) LED headlights |

CAPABILITY

|                                 |                                              |
|---------------------------------|----------------------------------------------|
| Front Suspension / Wheel Travel | Double wishbone/8.6 in                       |
| Rear Suspension / Wheel Travel  | Double wishbone/9.1 in                       |
| Front Tires                     | 25 x 10.00-12, radial                        |
| Rear Tires                      | 25 x 10.00-12, radial                        |
| Steering                        | Electric Power Steering (EPS), Tilt steering |
| Park Brake Type                 | Independent, Mechanical Disc                 |
| Front Brakes                    | Dual Disc, 2 piston caliper                  |

DETAILS

|                     |                                                                                                                                                                                                                                                                                               |
|---------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Overall Length      | 110.0 in                                                                                                                                                                                                                                                                                      |
| Overall Width       | 60.0 in                                                                                                                                                                                                                                                                                       |
| Overall Height      | 75.8 in                                                                                                                                                                                                                                                                                       |
| Curb Weight         | 1,598.6 lb* / 1,600.6 lb* CA Model                                                                                                                                                                                                                                                            |
| Wheelbase           | 78.9 in                                                                                                                                                                                                                                                                                       |
| Instruments         | Multi-function display includes digital speedometer, fuel gauge, odometer, hour meter, clock, dual trip meters, 2WD/4WD indicator, water temperature warning indicator, EPS warning indicators, neutral, reverse and parking indicators, differential indicator lamp, seatbelt reminder lamps |
| Additional Features | Roof                                                                                                                                                                                                                                                                                          |
