CANDY PERSIMMON RED

POWER

|                   |                                                           |
|-------------------|-----------------------------------------------------------|
| Engine            | 4-stroke, SOHC, 4-valve V-twin, liquid-cooled             |
| Displacement      | 783cc                                                     |
| Maximum Torque    | 47.0 lb-ft @ 5,500 rpm                                    |
| Bore x Stroke     | 85.0 x 69.0mm                                             |
| Compression Ratio | 10.7:1                                                    |
| Fuel System       | DFI® with two 36mm Mikuni throttle bodies                 |
| Ignition          | TCBI with Electronic Advance                              |
| Starting System   | Electric                                                  |
| Transmission      | Automatic CVT with centrifugal clutch (H,L,N,R)           |
| Final Drive       | Selectable 2WD/4WD with locking front differential, shaft |
| Engine Braking    | Yes                                                       |

CAPABILITY

|                                 |                                                                                                                     |
|---------------------------------|---------------------------------------------------------------------------------------------------------------------|
| Front Suspension / Wheel Travel | Double wishbone, FOX 2.0 LSC Piggyback Shocks, fully adjustable preload, and adjustable compression damping/10.7 in |
| Rear Suspension / Wheel Travel  | Double wishbone, FOX 2.0 LSC Piggyback Shocks, fully adjustable preload, and adjustable compression damping/10.0 in |
| Front Tires                     | Maxxis® 27 x 9-14                                                                                                   |
| Rear Tires                      | Maxxis® 27 x 11-14                                                                                                  |
| Steering                        | Electric Power Steering (EPS) / rack-and-pinion                                                                     |
| Front Brakes                    | Dual hydraulic discs with two-piston calipers                                                                       |
| Rear Brakes                     | Sealed, oil-bathed, multi-disc                                                                                      |

|                              |                                                       |
|------------------------------|-------------------------------------------------------|
| Ground Clearance             | 12.2 in (max) / 11.2 in (std)                         |
| Fuel Capacity                | 7.9 gal                                               |
| Turning Radius               | 17.7 ft                                               |
| Cargo Bed Dimensions (LxWxH) | 17.9 x 47.6 x 8.7 in                                  |
| Cargo Bed Load Capacity      | 249 lb                                                |
| Payload Capacity             | 1,054 lb                                              |
| Seating Capacity             | 4                                                     |
| Towing Capacity              | 1,300 lb                                              |
| Lighting                     | (4) LED headlights, (2) LED taillights, LED stoplight |

DETAILS

|                     |                                                                                                                                                                                            |
|---------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Frame               | Steel Tube Double-X Reinforcement                                                                                                                                                          |
| Overall Length      | 125.4 in                                                                                                                                                                                   |
| Overall Width       | 62.6 in                                                                                                                                                                                    |
| Overall Height      | 80.5 in                                                                                                                                                                                    |
| Curb Weight         | 1,684.6 lb* / 1,686.8 lb* CA Model                                                                                                                                                         |
| Wheelbase           | 88.2 in                                                                                                                                                                                    |
| Instruments         | Multi-function digital meter with speedometer, fuel gauge, clock, hour meter, odometer, dual trip meter and parking-brake indicator, R/N/P/4WD, water temp and low-oil-pressure indicators |
